

Proposal to Appoint MTD Accountancy Limited as Reporting Accountants

Members are invited to vote on the appointment of MTD Limited as the reporting accountants for FY25/26.

MTD Accountancy Limited is based on Ottery St Mary. Trudie Jenkins is the Director of the company and she was previously a Trustee of the DPHT for a number of years. Upon taking over control of MTD Accountancy Ltd, she stepped down as a Trustee to avoid any conflicts of interest. Trudie Jenkins is presently our Honorary Treasurer but does not have a voting position on the Board of Trustees.

Before appointing MTD Accountancy Ltd to be our reporting accountants, two other local companies were approached to ensure that the DPHT achieved value for money. MTD Accountancy Ltd came in below the quotes received.

The Board therefore recommends the appointment of MTD Accountancy Ltd as our reporting accountant for FY25/26.
